MAKE A BIG SPLASH WITH MUTOH'S TOUCAN LT

Mutoh's mid-range Toucan LT delivers industry-leading performance.

Reach your production goals quickly with Mutoh's Toucan LT! Save time and money with the only outdoor printer in it's class capable of true unattended, overnight printing. Increase production and profits by tackling large jobs overnight, leaving business hours free for more hands-on applications. Equipped with a heavy-duty feed system, the Toucan LT is designed to accommodate 220lbs. of media, even during unattended print runs. The Toucan LT is available in Eco-Solvent Plus ink or LT Solvent ink which ensures bright, vivid colors and up to three years' outdoor durability on every print. With print speeds up to 398 square feet per hour and resolutions up to 1440dpi, the new Toucan LT has the performance power to accelerate productivity. When teamed with the optional Mutoh CAPTIVAIR, the Toucan LT provides an environmentally friendly atmosphere, eliminating the need for exterior ventilation. Available in 64" or 87", the Toucan LT can accommodate even the largest applications. With prices starting at \$33,995, the Toucan LT is an affordable solution to meet every production goal with rapid confidence!

Shown with optional CAPTIVAIR Air Quality System
